Summary of Trash Regulation Notice

1. Please place container(s) at curbside before 6:00 a.m. on regular service day.
2. Please place container(s) in the street with the wheels against the curb or in the alley with the wheels towards your house.
3. Please place container(s) at least 3 ft. away from, and not behind, any parked vehicles or obstructions such as mailboxes or fire hydrants.
4. Please place container(s) at least 1 ft. apart and set them side by side.
5. Please do not place unlawful toxic, hazardous waste, universal waste, or electronics in the container(s) (i.e. batteries, fluorescent tubes, TVs, monitors, computers, cell phones, motor oils, chemicals, acids, paints, etc).
6. Please do not place any liquid, sod, or construction materials in the container(s).
7. Please make sure all trash fits inside the container with the lid closed. You may obtain additional containers at additional cost by calling (949) 646-4617.
8. Large items not fitting inside your containers with the lids closed must be called in to (949) 646-4617 prior to your regular service day and scheduled to be picked-up on your regular service day (the first individual collection of a large item is free of charge).
